**PAUL VICK ARCHITECTS are featured on RIBA Stand at London Pavilion**

14h March - 17th March 2017

We continue to bring you 100% planning record, giving clients and funders the confidence that their project will be delivered.

The practice brings you experience across a number of different sectors, including commercial, urban development, mixed use, cultural design, information technology and 1st Age to 3rd Age living.

We have developed a model for enhancement that has been presented to financial and academic institutions to allow you to get more out of less.

Please call for a chat on **0207 993 6573** , email [Paulv@paulvick.co.uk](mailto:Paulv@paulvick.co.uk) or drop by our Stand.

We hope to see you in Cannes!
